Who are Lintel Trust?

- Scotland's housing association charity set up by SFHA in 1979
- Independently governed by a voluntary board of Trustees
- Funding provider to housing related projects
- Developed a charitable fund management service in 2016
- Joined the Scottish Procurement Alliance in 2021

What are we already doing?

Offering best practice guidance to housing providers in the use of community benefits in procurement

Promoting the use of social value reporting in housing to evidence the societal value of housing associations

Small grant awards to community projects supporting housing residents

Helping housing associations support their residents with the provision of community based projects, funding, fundraisers and events

What are our future priorities?

Environment

People

Communities

Sustainability

Health

Economy

Places

How will we help?

Empowering people and communities to make the changes they want to see

Identifying and sharing funding opportunities

Enabling people to learn new skills

Promoting and highlighting community led activities

Encouraging collaboration with other community groups and making introductions

Generating more funding to create more opportunities

Celebrating the power of people!

Reduce, ReUse and Raise Funds
