## SURF in Rothesay

### **An opportunity to work with SURF's 'Alliance for Action' team**

**The attached job description** outlines the context, purpose and requirements of a vacancy in SURF's Rothesay focused Alliance for Action initiative.

As indicated, SURF intends to recruit a part time, Rothesay Alliance for Action Facilitator. She/he will enable SURF to consolidate and build further on a range of cross sector community regeneration contacts, assets and priorities. These have been identified and linked via a feasibility study phase, which SURF carried out in cooperation with a group of local and institutional stakeholders. That collaborative process has produced a practical shared vision, aimed at supporting the sustainable regeneration of Rothesay.

To take the Alliance and the initial project delivery phase forward effectively, SURF's preference is to recruit a locally based person to this post but it is also willing to consider engaging a suitably experienced consultant on agreeable terms to the same end.

**Potential candidates** for this post should submit a CV and a covering letter, of no more than 2 pages in each case, indicating experience, skills and qualities relevant to the requirements set out in the person specification. Interested consultants should do the same, adding specification of days and rates offered.

**The closing date** for applications in both instances is 23.12.15. SURF intends to carry out a limited number of interviews in mid-January 2016.

**All expressions of interest** should be e mailed for the attention of Andy Milne SURF Chief Executive at [andymilne@scotregen.co.uk](mailto:andymilne@scotregen.co.uk)
