

REMAKING ROTHESAY

CHARRETTE

24th - 27th February 2016

The Discovery Centre, Rothesay

ReMaking Rothesay is an exciting and ambitious project commissioned by the **Bute Alliance for Action** with the aim of instigating local actions that work towards realising Rothesay's potential as a unique place to live, work, visit and enjoy.

The project will be kick started with the **Remaking Rothesay: Charrette**, which will consist of a series of lively, activity-based workshops that will encourage everyone with a shared interest for Rothesay to engage, interact and set down collaborative goals for the town.
