HOW OUR DELIVERY HAS CHANGED POST PANDEMIC

STREET LEAGUE

- Street League uses the power of sport to tackle poverty
- **Give young people the opportunities they need to succeed in life and the workplace.**
- From school to the world of work, we work with young people aged 14-30,
- **Living in the UK's most disadvantaged communities.**
- Our staff help them overcome their practical and personal barriers to employment.

Back to the Start

- Pandemic Hit
- **Staff Furloughed**
- One team per region to deliver remotely
- **What a Zoom was or where I could find one?**
- Skeptical this would work due to barriers and willingness

Barriers and Challenges

- Lack of IT
- **Poor or no internet**
- Needing physical copies of SQA's
- **Recruitment - Finding Young People**
- Motivation at all time low
- Anxiety
- **Chaotic Home life**

Realities of Remote Delivery

- Great Fun!
- **Good for Staff as well as young people**
- An opportunity to develop workshops
- **Cameras on!**

A Better Future

- Improved use of IT within academies
- **Better Workshops and SQA sessions**
- Online SQA Portfolio – Proof Positive
- **Remote delivery allows Street League to reach the most remote of places in Scotland**
- A new appreciation of the face-to-face delivery and not to take it for granted
