## Fife Greenspace Strategy

## **Fife Greenspace Strategy** 2011 -2016

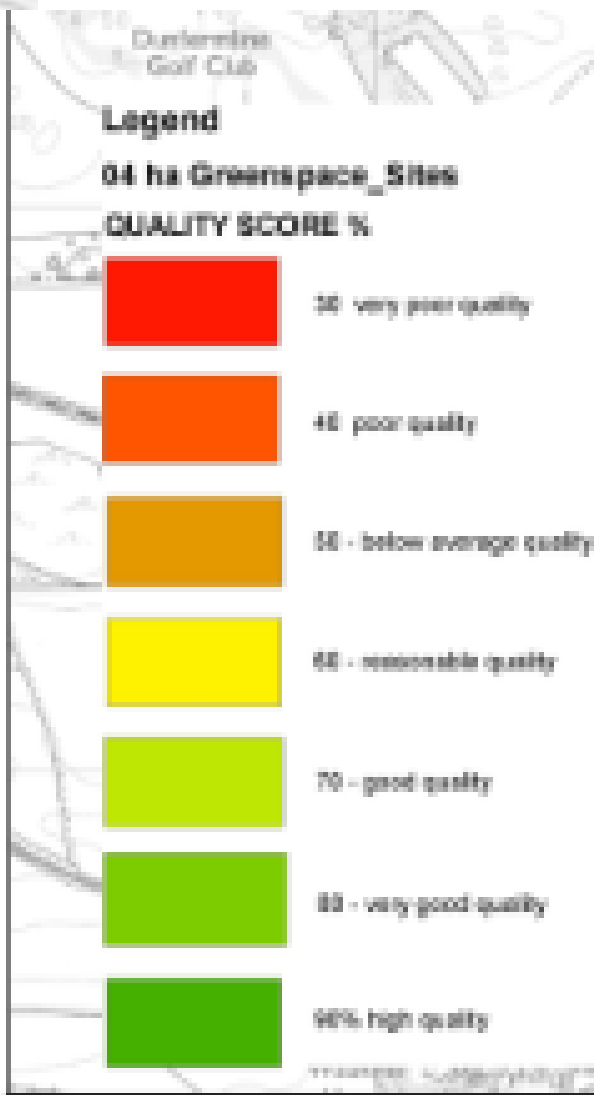

*increasing access to life enhancing greenspace*

**where it  
started  
Fife  
Greenspace  
Strategy  
2011**

The strategy highlighted the need to improve greenspaces

**Lynne Burn was zoned  
as a Green Network  
in Local  
Development Plan**

**Nature Scot and  
Scottish  
Environment  
Agency saw the need  
to improve the burn**

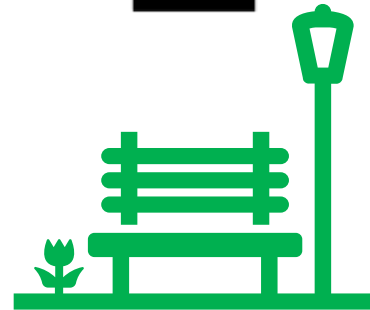

**partnership**

Scottish Environment  
Protection Agency

Buidheann Dion  
Àrainneachd na h-Alba

- SEPA fund river restoration
- Fife Council fund greenspace improvement

community

**working with the  
community has  
been vital**

community

**Two consultations  
on community  
need  
Touch – garden**

# community

Grow and Play group needed a base

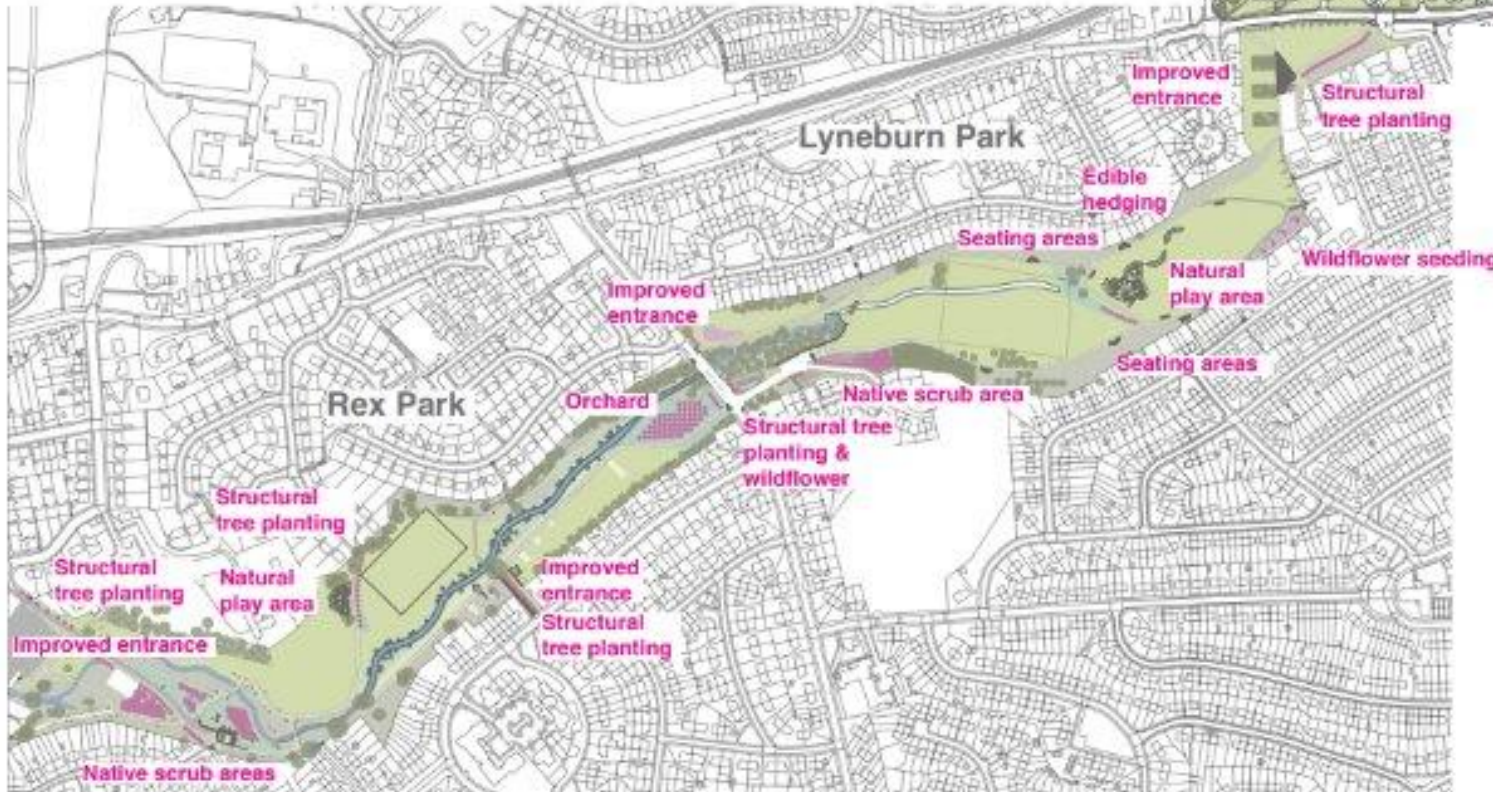

# Lyneburn Corridor - Overall Improvements - Phase 1

Client: Fife Council  
Date: 15.01.19  
Drawing not to scale

# masterplan

# implementation

- River restoration – difficult
- Green Infrastructure – good

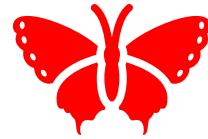

# impact

flooding resilience
